At Aloha Orthodontics, Dr. Naren Chelian (aka Dr. C) wants more than an excellent smile for his patients. He wants the patient experience to be just as outstanding. His energetic personality vibrates throughout the office from his team to his patients. As soon as you step inside Aloha Orthodontics, you can't help but smile as staff and patients wear t-shirts branded with the slogan; Smile Sucka. When asked about his motto, Dr. C responds: "Because smiling is free, smiling is contagious and smiling makes people happy. So why not?"

Dr. C's knowledge of orthodontics and experience with the latest orthodontics advancements give his clients the confidence to expect a perfect smile. He is an Elite Invisalign provider and has helped Las Vegas Smile for Over 10 years.
